

HOW TO FIND A PROVIDER

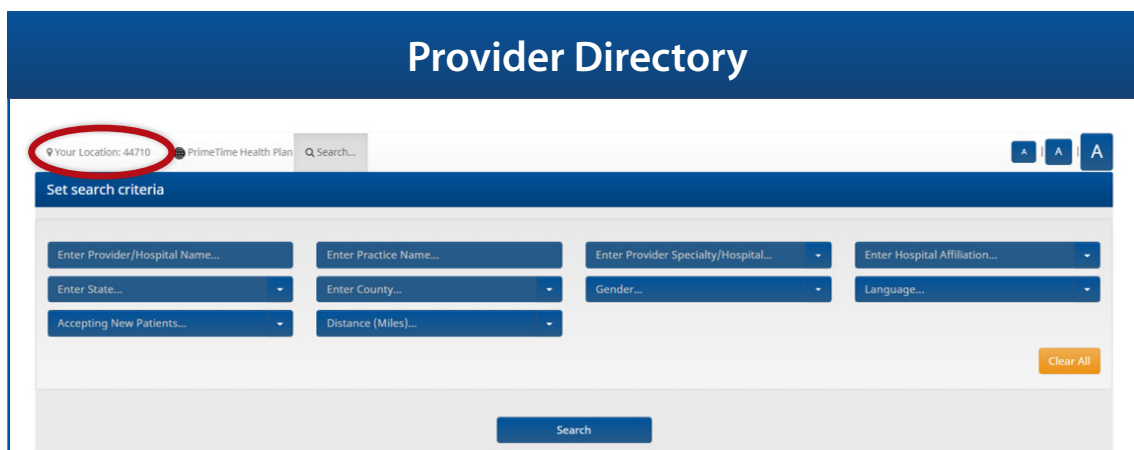

If you are in need of a new family physician or a trained specialist, PrimeTime Health Plan makes it easy to find a healthcare professional in the PrimeTime Health Plan network. Follow these steps to use our online provider directory.

STEP 1

- » Visit **www.pthp.com**.
- » Select the **Find a Doctor** button on the homepage.

STEP 2

- » Confirm the location you are searching in.
- » Use the search boxes to help you find a provider. You can search by practice name, provider name, specialty, hospital affiliation, location, gender, and if they are accepting new patients.
- » Once you denote this information, click **Search** and all physicians and contact information will appear.

The screenshot shows the 'Provider Directory' search interface. At the top, there is a header with the title 'Provider Directory'. Below the header, there is a navigation bar with a location dropdown set to 'Your Location: 44710', the PrimeTime Health Plan logo, and a search bar. The main search area is titled 'Set search criteria' and contains several input fields: 'Enter Provider/Hospital Name...', 'Enter Practice Name...', 'Enter Provider Specialty/Hospital...', 'Enter Hospital Affiliation...', 'Enter State...', 'Enter County...', 'Gender...', 'Language...', 'Accepting New Patients...', and 'Distance (Miles)...'. A 'Clear All' button is located at the bottom right of the search criteria section. A 'Search' button is located at the bottom center of the page.

- » After your search results populate, you may download and print this information by clicking **Download Search Results to PDF** at the bottom of the page.
